Leixlip Manor is surrounded by 27 acres of parkland containing ancient trees, manicured lawns and of course our beautiful stone walled Victorian Garden. You can avail of these magical settings to make your Wedding Day a truly special occasion.

Go towards the N4, and exit at the Leixlip slip road just before the M4 Motorway. Cross the river into Leixlip Village and take the first right. Take the next left and Leixlip Manor and Gardens is on your right hand side.
